'65MOD Benefits Planned

The 1965 March of Dimes campaign will get underway in Milam County next week, according to chapter chairman Max McClaren.

Approximately 2,500 mailers will be sent to Cameron and Rockdale residences. There is also a bucket brigade planned and other events scheduled throughout the month of January.

The March of Dimes supports 50 birth defect centers throughout the country. March of Dimes workers pointed out that this terrible crippling of mind and body affects 250,000 children each year or one every two minutes, and this can certainly be called an epidemic of extreme proportions. It cannot be conquered without everyone's help.

Polio was licked through the March of Dimes and now the foundation is turning its efforts towards preventing birth defects. McClaren said they hope soon to answer the terrible question, "Why was my baby born with a birth defect?"

"Milam County needs doers as well as donors. If you can give a few hours of your time to the March of Dimes, please contact me. There is no pay, just the reward that you have helped some family in your country," McClaren said.

Festival To Mark Grand Opening Of New Marak Hall

Rev. George Bonhard of Marak has announced plans of that community to sponsor a two-day "Interdenominational Musical Theatrical and Dancing Festival" this spring.

The Festival is planned for Saturday, and Sunday, April 24 and 25, to mark the "Grand Opening" of the New Marak Hall near Cameron.

The Hall was recently expended and remodeled to provide facilities for cultural and recreational activities for this area.

Rev. Bonhard will serve as producing director of the program that will include participating groups from Cameron, Temple Bryan and Taylor.

Graduates and members of the faculty of music and drama from the University of Texas and Southwestern University at Georgetown have been invited to be on the program. They will be billed as "Guest Stars."

The program will include stage plays, two professional orchestras, square dancers, Czech Beseda Dancers in costume, and amateur contests in both instrumental and vocal divisions.

A game room and Country Store is planned for children. Refreshments will be available.

The program has been planned under the auspices of the Cameron Ministerial Association, Cameron Chamber of Commerce and school officials.

Rev. Bonhard said, "We will use the rich artistic Texas sources to encourage a cultural activity in our community and build up something worthwhile through a sincere cooperation with our fellow neighbor."

"We hope to create something of a universal value for future generations," Rev. Bonhard said.

Any age group is invited to take part in the amateur musician and vocal contest by registering with Rev. Bonhard.

Countian First Highway Victim

Milam County had its first highway fatality of the year last Wednesday when William Tamp Johnson, 87, was fatally injured in a one car accident on FM 486 near Thorndale.

Highway Patrolman Leroy Broadus said the accident occurred at 11:30 a.m. about 2.5 miles north of Thorndale. Johnson was taken to Johns Hospital in Taylor where he died at 2:45 p.m. from head and chest injuries.

Johnson, a retired farmer of

San Gabriel, was traveling north on FM 486 through an area of open farm land. Broadus said Johnson lost control of his car and ran off the right side of the road and nosed into a hole that had been washed out by water that drained under the roadway.

Funeral services were held Thursday at the Condra Funeral Home in Taylor. Burial was in the Locklin Cemetery.

Constable Bill Shepard of Thorndale assisted Broadus in the investigation.

THROUGH THESE DOORS' -- Before inaugural Wednesday on his first elected term as 36th President and before the fateful November events in Dallas in 1963, President Johnson, then Senator, dedicated the Cameron National Guard Armory. Above the main entrance appears this collection of pictures and press clippings commemorating that 1959 dedication. Uppermost is a recent picture of the President bearing an inscription to the people of Cameron and his signature. —Stafffoto

Dial Guest Speaker

Football Banquet To Honor 75 Boys

Buddy Dial, former all-American and all-pro end, will be guest speaker at the annual Football Banquet at 7 p.m. tonight at the Methodist Fellowship Hall.

The annual fete will honor 75 Yoe High gridmen and managers who participated during the 1963 season.

Another highlight of the event will be the crowning of the Yoe Football Sweetheart. Football boys have nominated three girls and the winner will be revealed during the banquet. Nominees selected are Becky Graham, daughter of Mr. and Mrs. Johnnie Graham and Lanell and Sharon Darby, daughters of Mr. and Mrs. Harold Darby.

Climaxing the banquet will be the presentation of the Most Valuable Player Award. The award is given annually by the Yoe

Booster Club to the player selected as the most outstanding during the football season.

In selecting the winner, Yoe gridmen nominate junior and senior players. The nominees are screened by the coaching staff and then sent to a secret committee of the Booster Club for final selection. Last year's winner of the coveted award was halfback Mike Perrin.

A large crowd is expected to attend this year's banquet and hear the famed football pro. Dial presently plays for the Dallas Cowboys and lives in Dallas. He is a former all-American from Rice University and at one time played for the Pittsburgh Steelers. He is also a recording star of religious music and is active in the Christian Athletes Association.

Jan. 30 Deadline For School Taxes

School tax assessor-collector Ollie Chamberlain has announced that he will be accepting Cameron Independent School tax payments until midnight Jan. 30.

Usual deadline for payment of taxes is Jan. 31. However, this year that date falls on Sunday moving the deadline up to Jan. 30.

Chamberlain said payment must be made before the deadline in order to prevent penalty and interest.

Only sixty two and one half per cent of the taxes had been paid as of Jan. 13, Chamberlain noted.

Evans New Owner Of Milam Feeders Supply Company

Morris Evans announces the purchase of Milam Feeders Supply Inc. in Cameron from C. B. Huggins of Houston.

Evans has served as manager of the firm since August of 1961. He came to Cameron from Austin where he was a government employee for many years. He will continue to operate the firm as owner-manager.

In taking over the firm on January 9, Mr. Evans said he would like to thank all of his old customers for their patronage and invites the public to come by the Milam Feeders Supply Company located at 601 Santa Fe in Cameron.

Program Would Cut Area Cotton Acreage

A recent change in cotton allotment acreage reapportionment regulations was explained today by Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service.

The change would result in the ASC County Committee being limited to reapportioning not more than the larger of 33 acres or 50 percent of the cropland for a farm requesting additional cotton acres.

Sanders estimated that approximately 500 farms in Milam County would be affected for a total of 2,000 acres if the regulation is not changed.

BUCKHOLTS SCHOOL BOARD HOLDS MONTHLY MEETING
At the monthly school board meeting Monday, Jan. 11, 1965, Mr. Leon L. Brady, superintendent of Buckholts High School, was granted a new 3 year contract as superintendent of schools.

CISD Projects Now Underway

Request On Error In Pipeline Mileage Viewed By Board

A boundary line survey has revealed that for 12 years the Lone Star Gas Company has been rendering a portion of their pipeline to the Rockdale School District when in reality it lies within the Cameron Independent School District.

Cameron School board members discussed the pipeline mileage and taxes due the local district with Lone Star Gas Company officials during their regular monthly meeting last Thursday.

M. L. Clark, manager of Ad Valorem Tax Dept. for Lone Star Gas Company, appeared before the board. He requested that his company not be back assessed for the years in question stating that Rockdale school had been paid taxes for this difference in mileage.

Trustees delayed action on the request from Clark until further study could be made.

According to the school tax assessor-collector's office taxes on the pipeline from the year 1953 through 1964 due the Cameron Independent School District totals \$1,213.91. The mileage difference from the year 1953 through 1957 was 2.47 miles of pipeline. From 1958 through 1964 the difference in actual mileage was 2.69 miles.

The survey that brought to light the amount of pipeline rendered in the Cameron Independent School District and the amount actually owned by Lone Star Gas Company is being done by Frank Perrin. The board employed Perrin several months ago to re-establish the south boundary line of the school district. The boundary survey is still in progress.

In other school board action, C. R. Law presented a proposed order for legally establishing the Cameron Independent School District tax office and outlining of operational procedures. It was noted that proper legal forms are not of record. Trustees took the proposal under study to be considered at a later date.

The board also employed Mrs. Irene Chamberlain as Deputy Asst. Tax Assessor-Collector.

Band Booster Club Sets Thursday Meet

The Yoe High Band Booster Club will meet Thursday night, Jan. 21, at 7:30 in the Band Hall. All members are urged to attend this important meeting.

Milam Livestock Show Saturday

Over 120 Junior livestock growers in Buckholts, Milam, Thorndale, Rockdale and Cameron have entered animals in the 19th annual Milam County Junior Livestock Show set for Saturday.

John Batte of Cameron is chairman of the show which will be held inside the Cameron Compress near the old Santa Fe Freight Depot.

The young growers who are 4-H and FFA members will exhibit their animals in four divisions: Beef, Dairy, Swine and Sheep. Prizes and ribbons will be awarded to all entries and will be given on a point basis rather than the usual placing of animals. Awards will be furnished by contributors in the area. The donors will also be eligible to win a beef steer for taking an active interest in the youth of Milam County, officials said.

Judges for the show are Clifford Spaeth and Bob Traylor, two members of the Senior Judging Team from Texas A&M University, and Bob Gray, dairyman from Holland.

Any 4-H or FFA member in Milam County who wants to enter an animal must have it at the Compress building no later than 9 a.m. Saturday.

The public is invited to attend the show, which will get underway at 10 a.m. with the showing of the sheep and dairy cattle. Showing of the beef steers, beef heifers, fat and breeding swine will be held in the afternoon.

Heading the four divisions of

the show will be: Ed Laywell and Sam Hillman, Sheep Supt.; Billy Ellis and Billy Harris, Dairy Cattle; Hubert McClaren and Clifford Angell, Beef Supt.; Henry Richter and Gene Hillman, Swine Supt.

Assisting Batte are Dana Monroe, secretary-treasurer; Byron Wise, show ring secretary and head of entry registration; Dr. Lyle McDermott, asst. entry registration and Dr. Robert Tittsworth, interior arrangements.

The finance committee, under the chairmanship of Jerry Schiller, is presently giving everyone an opportunity to contribute to the cash prizes for the event. Serving with Schiller are: Coleman Duncum, Leo Fuchs, Bassel Wilson, Carl Black, Drayton McLane Sr., J. D. Moore, Jess Brock, Ed Laywell, John Batte and Byron Wise.

In the 18 years the Milam County Junior Livestock Show has been in existence, the show has grown and is expected to be bigger than ever this year.

When the program first started in 1946 there were only 3 entries. Since that time more youngsters in the county have become interested and today exhibit some of the finest animals grown in the state.

After exhibiting their animals in the Milam County show, they take their animals to major shows and their record of having at least one grand champion or reserve champion a year since 1949 exemplifies the work the young growers put into their project.

Improvement Plans Adopted By Board, Schedule Forming

By Lois Sapp

A two part improvement program for the schools in the Cameron Independent School District is being followed by school trustees with the first portion presently underway, according to Bob Wells spokesman for the school board.

The school board has undertaken a program to bring maintenance of the school facilities up to a standard that is compatible with the resources of the school district. The work is being done on a pay-as-you-go basis.

They are at present trying to work out plans to schedule the major expenses in a period of years in an effort to improve the school budgeting and at the same time maintain the school plant in an efficient way, officials said.

Part of the program, which is now underway, includes improving the heating and cooling facilities, school safety and maintenance.

School officials said all buildings have been inspected and treated for termites, where recommended by experts.

A contract to repair the gymnasium floor where it has buckled and has termite damage has been let.

IMPROVEMENT PLANS
The north side of the Ada Henderson School has also taken on a new look with the installation of new windows. The project also includes installation of new windows in the north side of Yoe High school, which is yet to be completed. Cost of the improvement is approximately \$4,400.

With the installation of the new windows, officials noted the lowering of heating costs in the school building. In addition individual room heat control valves have been installed for better control of heat. Previously the heat had to be turned on high in order to keep the north rooms warm, while rooms on the south had to have windows open. Approximate cost of the heat valves were \$250.

At OJ Thomas school the typing room has been enlarged and improved. Also the lunchroom and library partitions have been painted and roof repairs to prevent damage to the interior have been made.

New backstops and fencing in the playground area of Ada Henderson and Yoe High school has also been installed to provide better protection for the children at play. Addition and replacement of backstops in deteriorated condition and extension of backstops is a part of the overall improvement.

Fellowship Hall Dedication Held

By Lois Sapp
News Editor

Dedication services for the Methodist Fellowship Hall were attended Sunday by a large group of members and friends who heard Bishop Paul E. Martin of Houston present the dedicatory address.

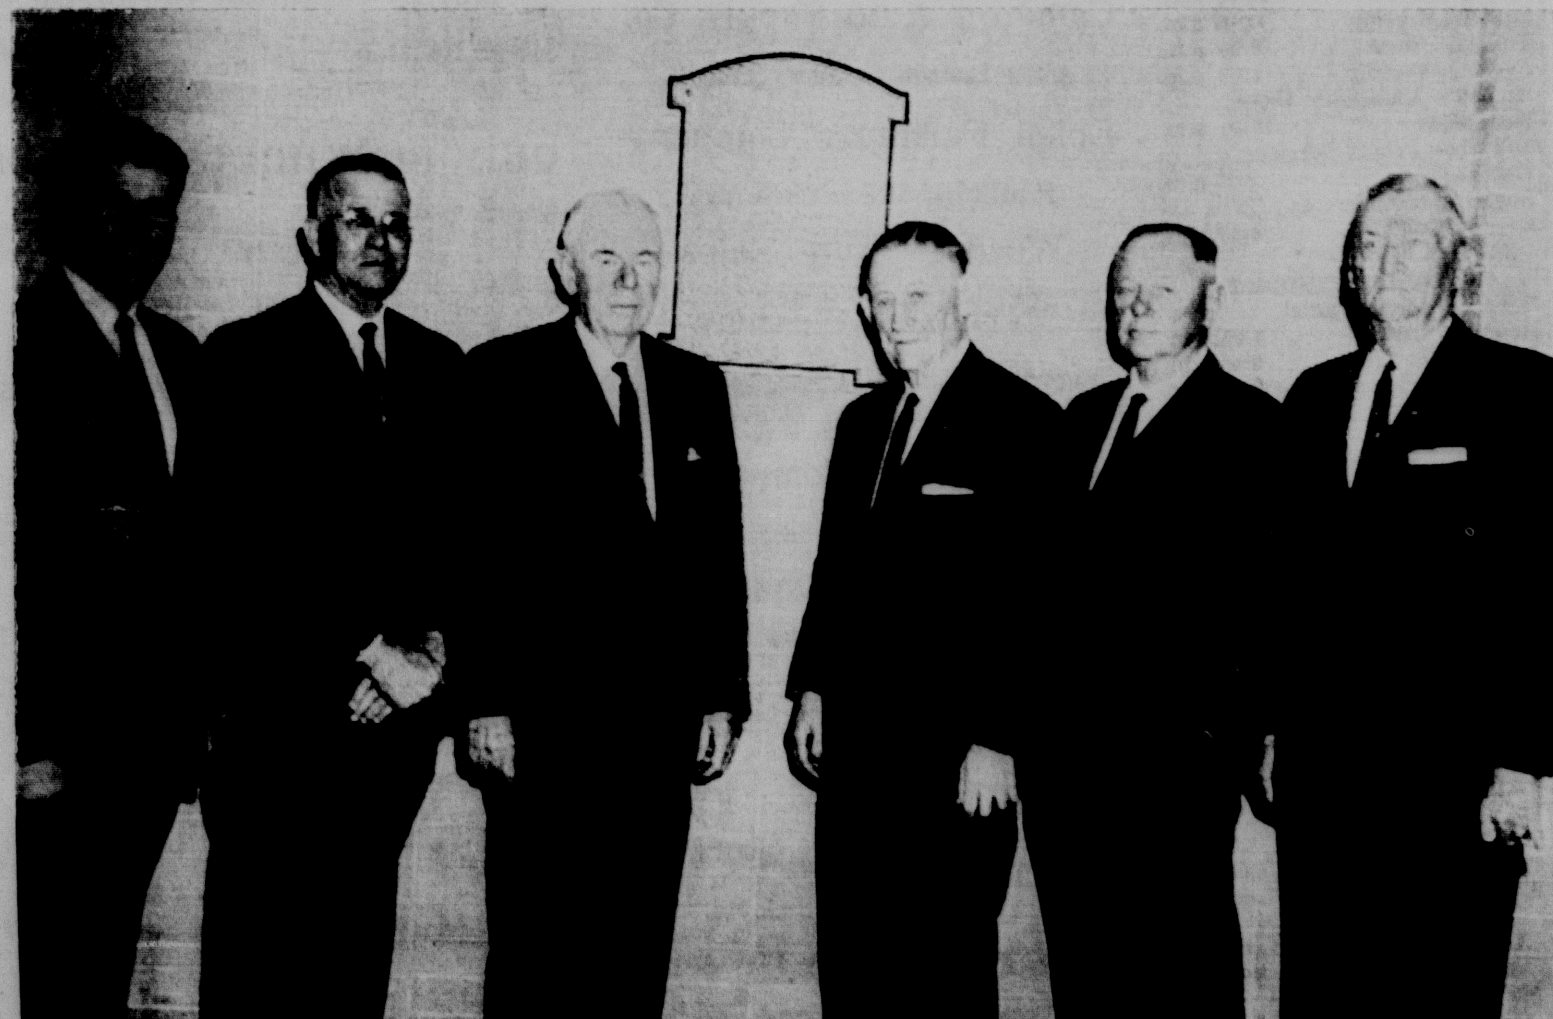

Bishop Martin, resident bishop of the Texas Annual Conference of the Methodist Church, was assisted by Rev. N. A. Brawner, district superintendent, and members of the local board of trustees. Cameron trustees who assisted were Chairman of the Board, A. J. Smith, Oxsheer Smith and E. A. Perrin.

Rev. Richard Freeman accepted a Commemorative Plaque, in behalf of the congregation, from Oxsheer Smith. The bronze plaque was unveiled following a resume of the founding history of the Methodist Church in Cameron.

The Methodist Fellowship Hall was built in 1958, under Rev. E. J. Davis Jr. It was paid out under the ministries of Rev. Jewel Strong and Rev. C. A. West. Dedicatory services were delayed until final payment was made on the church structure.

When the fellowship hall was constructed, a part of the foundation was damaged.

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK

Millions Leave Them There!

ARE VIRTUES TO BE SOUGHT?

True humility, such as is shown in this little girl's expression, is a virtue each of us need to cultivate. Everyone of us should possess the proper degree of humility, not only for our own good but for the welfare of our nation. If one has health, wealth and power and takes all credit for having them, ignoring all moral imperative, then that person is headed for downfall and ruin. So it is with a nation.

If we are humbly thankful for all blessings — and they are blessings, not just our own doing — on Thanksgiving Day we will give thanks as a nation and every day of the year as individuals. The daily thanksgiving can be in a form of a prayer for another, a helping hand extended to one less fortunate. This is as true a thanksgiving as is our thanks for those we love, who share with us both sunshine and sorrow.

And while we are being thankful let us remember our churches. They constantly remind us of our need for the virtues of humility and a thankful heart. They are the temples of God where we can give thanks and be humble and by so doing remain strong and mighty.

This Church Page presented under auspices of The Cameron Ministerial Association — is made possible by the courtesy of the following business people in Cameron, Buckholts, Rogers, and Temple.

County Agent Notes

Pruning, Winter Shrubbery Care

By J. D. Moore
Milam County Agent

Too little attention is generally given to the pruning of shrubs. The usual procedure is to plant shrubs and let them take care of themselves as far as form and size are concerned. Pruning at regular intervals increases the vigor of plants, helps them grow into proper form, and makes them produce better flowers and fruits.

HOME DEMONSTRATION

By Anna Marie Ramke
Home Demo. Agent

On Friday January 15 a Landscaping Tour was held from 10 a.m. to 1 p.m. for the Result Demonstrators in Landscaping. Those attending were Mrs. V. L. Angell and Mrs. Sam Brewer of Cameron. The group met at the post office and made its first stop at the home of the County Agent, J. D. Moore. There the group paused for plant identification and pruning ideas given by Mrs. J. D. Moore and the Home Demonstration Agent.

Then the group made a tour around Cameron identifying those plants that (1) thrive in our soil, (2) that did not thrive, and (3) that caused maintenance problems. Landscaping principles were stressed.

The size relation of plants to the location in the yard, and to the size of the home was discussed by the H. D. Agent, Mrs. Moore and demonstrators as well as the proper growing area necessary.

THDA MEETS
Mrs. Clyde Holliman, County Council chairman, Mrs. Joe Brown, THDA chairman, and the H. D. Agent attended the Jan. 19 District planning THDA meeting. This meeting was held in the National Guard Armory from 9 a.m. to 12 noon, in Clifton, Texas, on Tuesday, Jan. 19. The THDA chairman's and Council chairman's duties were discussed along with the purpose of the THDA dues and the distribution of its funds. The District THDA meeting, to be held Mar. 26 and 27 in Brownwood, was planned and arranged by the two representatives from the County H. D. Councils through-out district eight.

4-H NEWS
Training was held for the 4-H Junior Leaders in Foods in Thordale on Saturday, Jan. 16. Fritz Asher of Thordale, Sandra Barta and Gwendolyn Jusef of County-wide Club were given this training. The purpose of the training was to explain the techniques of working with the 4-H Unit I Foods groups. The Junior Leaders training covered Meeting 1-5.

themselves as far as form and size are concerned. Pruning at regular intervals increases the vigor of plants, helps them grow into proper form, and makes them produce better flowers and fruits.

New cane development can be induced in some shrub species by cutting out old wood at the ground level. This is especially true of the Nandina. Tipping back exceptionally vigorous branches during the growing season tends to keep the form of a shrub more pleasing. This does not mean clipping the entire shrub as is done in shearing hedges, but merely the cutting back of rampant and alternate branches.

A soil test is the best guide for adding proper nutrients for any plant. When need of plant food is indicated, the quickest response can be obtained by use of commercial fertilizers than contain ammonium sulfate. Ammon-

ium nitrate fertilizer does not give as quick a response, but tests show that its effect lasts longer.

Tests at one of the USDA stations indicates that the use of barnyard manure tend to develop a chlorotic condition. If barnyard manure is used, it would be well to add iron sulphate and either ammonium sulfate or ammonium nitrate. Our black soils tend to

The scale insect family species are the most common insects of shrubbery. These insects are small and in many cases are unnoticed. Since shrubbery growth is at a minimum during the winter months, insecticide applications are recommended for most effective control. For each gallon of water, add 2 tablespoons of dormant oil, 1 tablespoon of Malathion, 1 teaspoon of nicotine sulfate (Black Leaf 40) and 1 teaspoon of detergent. Repeat the spray application in 5 to 7 days.

Cut ants do considerable damage to shrubbery in the sandy land areas of Texas. These ants live in colonies and are less active during winter months.

Methyl bromide applied to the central colony is our best control method. This should be applied during February and before warm weather activates the colonies.

Grain Sorghum Varieties and Fertilizer Tests to be Discussed -

A meeting is scheduled for the night of Jan. 20, for the purpose of discussing research results of the performance of Maize varieties and fertilizer tests. Ben Spears, agronomist at A&M University will lead the discussions.

Each year experiment stations test Maize varieties for such characteristics as yield per acre, resistance to smut, lodging, maturity date, etc. The results of these tests are made public for the benefit of grain farmers.

The meeting will be held in the District Courtroom at the Courthouse in Cameron at 7:30 p.m. Grain farmers, seed dealers, and anyone interested are urged to attend. We could increase our yields per acre as much as 500 pounds by planting recommended adapted varieties in Milam County.

The house cat is believed to be a cross between the sacred cat of Egypt and the European wildcat.

-SCS- District News

Much interest has been shown by Soil Conservation District co-operators in the development of complete conservation plans during the past six months. Personnel of the Cameron Work Unit of the SCS report that interest is high in both the Central Texas Soil Conservation District and the Taylor SCS District.

Conservation farming is fast becoming a "way of life" for District co-operators. Their conservation cropping systems, terrace systems, waterway installations, brush and weed control programs, pasture establishment, pasture management, livestock water facilities and recreation enterprises are being carried out according to a basic conservation plan.

Conservationists of the SCS assist the farmers and ranchers in

plans. Recommendations and alternative treatments made by the SCS conservationists are based on a soil and capability map of the farm or ranch and are designed to protect and improve the soil.

The farmer is furnished a map of his place showing the acreage in each field and pasture and other significant physical features of his farm. He is furnished a soil and capability map showing the different soil types, slope erosion that has occurred and the capability unit of each soil delineation. A copy of the farmer's decision as to how he plans to treat his land and the year he plans to carry out each practice is also included in his conservation plan folder.

A recorded plan can be very useful in scheduling the use of ACP funds that may be available for his use in carrying out the various conservation measures that are needed. This recorded plan and approximate time

Minerva News-

M. W. Longmire

Scott Baldridge is at home after having spent three weeks in Richards Clinic in Rockdale.

Visiting in the home of Mr. and Mrs. Baldridge Sunday were Mr. and Mrs. Howard Fulcher of Temple, Mrs. Katie Bell Isbell of Corpus Christi and Harry Baldridge of Bay City.

schedule can be of much benefit in helping the landowner to carry out a complete conservation program much faster than he would if he had no plan. A conservation plan can help you get there faster just as a road map would help you get from here to some distant point faster than you could if you had no map.

The Soil Conservation Service will be glad to assist you in developing a complete conservation plan on your farm or ranch.

Mr. and Mrs. T. T. Parker of Temple spent the weekend in the home of Mrs. Parker's parents, Mr. and Mrs. J. E. Richardson.

Mr. and Mrs. J. D. Hamill spent the weekend in the home of Mrs. Lydia Cooper. Mrs. Cooper returned to San Antonio with them.

Velma Mosley and Oma Rogers of Cameron were visitors of Bernice Longmire Tuesday afternoon.

Visiting in the Darrell Williams home Sunday were Mrs. Essie Williams of Rockdale and Joyce Williams of Belton.

Mrs. Jerry Richards and sons of Austin spent two days of last week in the home of Jerry's parents, Mr. and Mrs. D. C. Richards.

Mr. and Mrs. R. M. Trotter and daughters from Argentina are visiting their mother, Mrs. C. W. Trotter. Other visitors over the weekend in the home were Mr. and Mrs. C. H. Trotter and family of Deer Park and Mrs. H. G. Hickman and friend of Beaumont.

Ernest Tubbs Schedules Show In Milano For Church Benefit

Ernest Tubbs, a celebrated star of country music and his famous recording band, "The Texas Troubadours," will be appearing 8 p.m.

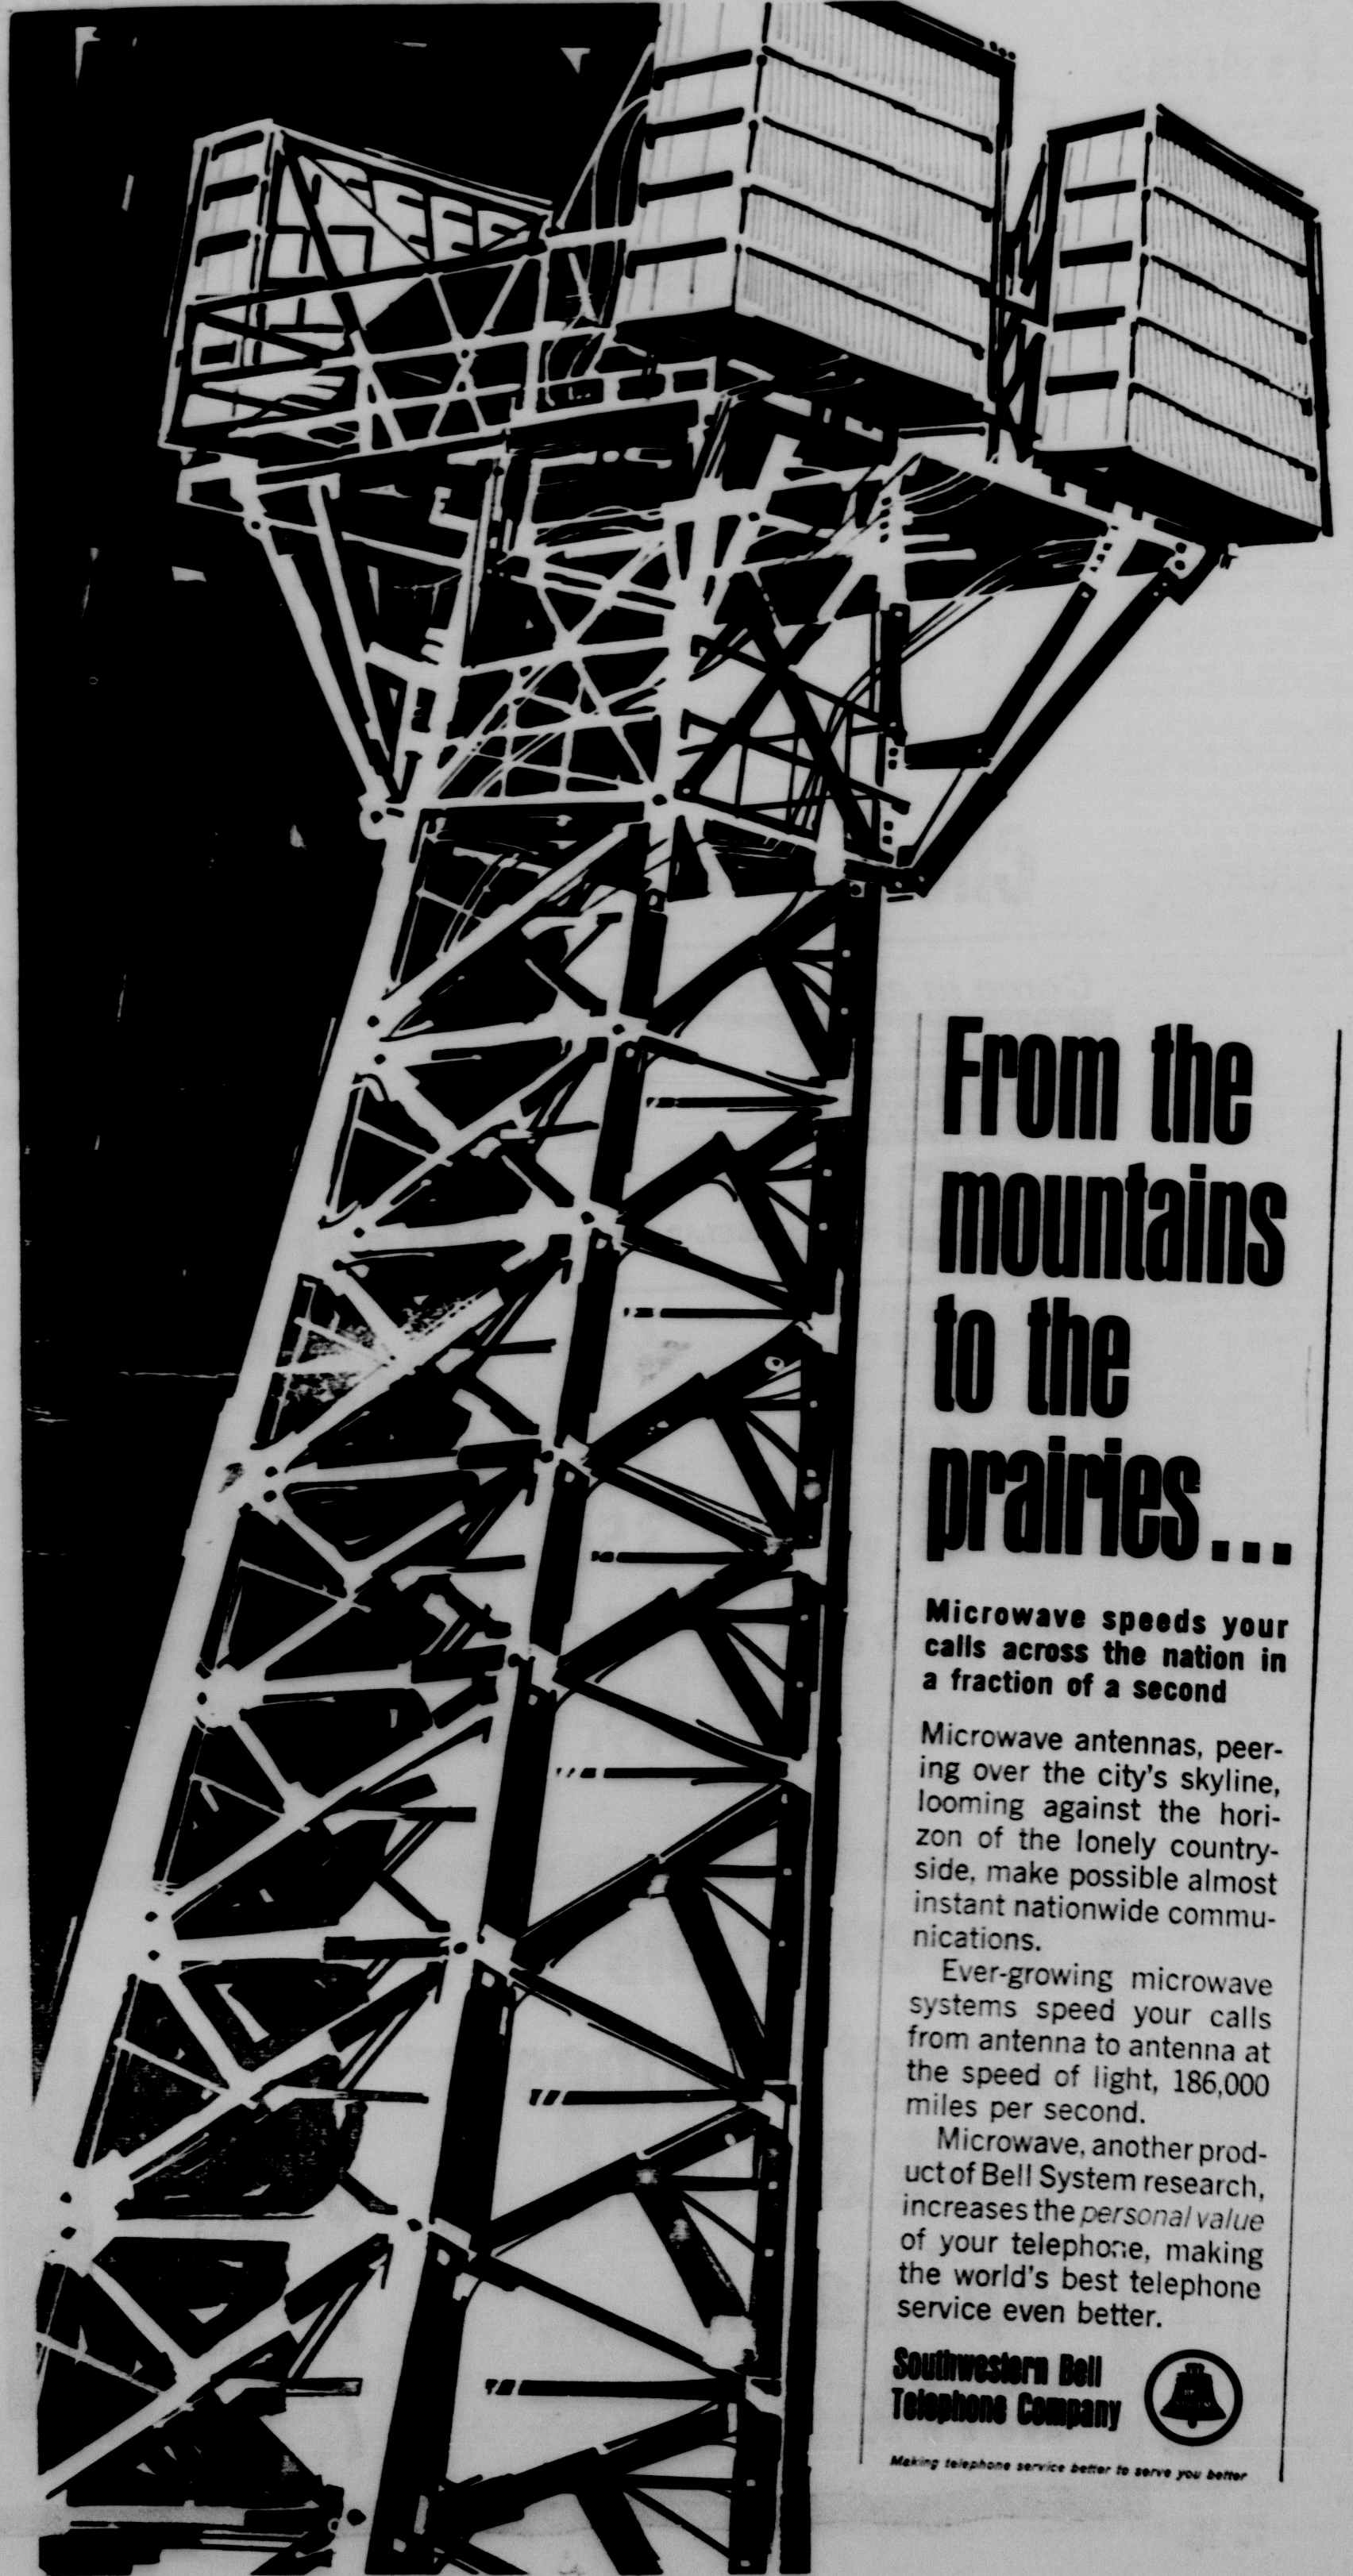

has made personal appearances in nearly every city of the United States and Canada. Tubbs was the first Country Music star to volunteer to go overseas to entertain our Armed Forces.

Ernest Tubbs' long list of accomplishments include several national "hit" recordings; and some few years back he astonished many persons in all phases of the entertainment world when he broke all attendance records at Carnegie Hall in New York City.

Today, Ernest Tubbs is considered one of the most commercial recording artists on record and is recognized as one of the top box-office attractions in show business. He has been the recipient of many awards and titles; however, none have ever changed his sincerity and his deep loyalty to his legion of fans.

Appearing along with Ernest Tubbs will be "The Texas Troubadours," featuring Jack Green who recorded the hit tune, "Last Letter," Decca recording star Johnny Wiggins, Pretty Miss Linda Flanagan and others.

TICKETS ON SALE For the Milano Benefit are now on sale at Schiller Pharmacy and Busch Drug Store in Cameron.

Rockdale, Hearne Take Jr. High Basketball Wins

Rockdale junior high teams took a dual win from the Cameron 7th and 8th grade teams in basketball action at Yoe gym Monday night.

The visitors took the 8th grade win 50-42 while the 7th grade Rockdale team won over Coach Bud Busher's five, 33-22.

In the 8th grade game Jim Lester was high point man for Cameron with 13. Denny Monroe added 11 points and John Urban 10 points. Also scoring for Cameron with two points each were Gary Curtis, Antone Dohalik, Steve Terry and Butch Bryant.

High point men for Rockdale were Crocker with 16, Ball with 12 and Kubeczek with 8 points.

7th GRADE GAME
Scoring the 22 points for the

Cameron 7th grade team were Kermit Smith with 7, Larry McClaren and Sammy White with 4 points each, Bill Perrin, Johnny Mann and Randy Braden with 2 points each and David Bowen, 1. High point men for Rockdale were Haupt, 6 Rutledge, 5 and Eanes, 5.

HEARNE-CAMERON
Hearne took home two wins from the Cameron 7th and 8th grade teams last Thursday with the 8th grade score 55-35 and the 7th grade, 18-7.

On Jan. 25, the Cameron junior high team will host the Rosebud junior high with 7th grade basketball action to get underway at 6:30 p.m. and the 8th grade game at 7:30 p.m.

Tigers Hit Yoe For 68-50 Win

Coach Andy Springer's fighting Yoemen played a game of "catch up" after Rockdale took a first quarter lead Tuesday night in district 17-AA basketball competition played at Rockdale. But a fast and accurate Rockdale five continued with their deadly aim and outscored the Yoemen 68-50.

In the first quarter the Tigers were off to a roaring start and picked up 17 points to the Yoe-

men's six. But the Cameron five caught fire and picked up sixteen points in the second quarter outscoring Rockdale by one point. Midway in the second quarter the Yoemen had narrowed the margin and trailed by only 6 points.

At the end of the third quarter, Rockdale's ace players, Tim Curtis and Copie Perry, helped widen the margin bringing the score to 49-34.

High point man and rebounder for the Yoemen was Mack McKinney who scored 16 points and picked up 11 rebounds. Dicky Ponder added another 11 points.

Curtis was high point man for the Tigers picking up 23 points. Perry scored another 16 points.

The Tigers hit 58 percent of their shots while the Yoemen hit for 36 percent.

In the B-team game, the Rockdale squad outscored the Yoemen 61-40.

LEGAL NOTICE

RESOLUTION AND ORDER OF ELECTION

WHEREAS, the ordinances and laws of the City of Cameron, Texas, require the holding of a regular annual election of officers of the City of Cameron, Texas, for the two years beginning April 6th, 1965

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

1. That an annual election shall be held in the said City of Cameron, Texas, on the 6th day of April, 1965, the same being the first Tuesday of April, 1965, for the purpose of electing the following officers, to-wit:

THREE COUNCILMEN OF THE CITY OF CAMERON to succeed Councilman J. Starrett Hickman, Place No. 3, Councilman E. L. Wied, Place No. 4 and Councilman J. C. (Jimmy) Marek, Place No. 5 whose terms of office expire on the first Tuesday of April, 1965, and to hold office for the two years ending on the first Tuesday of April, 1967, and it is hereby ordered

2. That said election shall be held at the City Hall in the City of Cameron on the said 6th day of April, 1965, and the following named and designated electors of the City of Cameron, are hereby appointed.

B. J. Matocha, Presiding Judge His Appointees, (2 Clerks) and such other judges and clerks as may be appointed by said presiding judge to assist in holding and managing said election, in accordance with the laws and ordinances governing such cases. The manner of holding said election shall be governed by the relevant statutes of the State of Texas and the Charter and Ordinances of the City of Cameron governing elections.

A copy of this resolution and order of election signed by the Mayor of the City of Cameron, shall serve as a proper notice of said election and the Mayor is hereby directed to cause notice of said election to be posted at the door of the City Hall of Cameron, a public place in the City of Cameron, and to be printed in the official newspaper of the said City.

OFFERED BY COUNCILMAN Young, Seconded by councilman Turner. Passed by unanimous vote of the City of Cameron at a regular meeting of said City Council of the City of Cameron, Texas, on Tuesday the 12th day of January, 1965.

Bassel Wilson, Mayor
City of Cameron, Texas
ATTEST:
J. P. Fuller, City Secretary
City of Cameron, Texas

FELLOWSHIP

Continued From Page 1

tion of the red brick Methodist Church, built in 1901, was used. In 1921 the present Methodist Church was constructed and the red brick church was dismantled. Only the foundation remained. When plans for the building of the fellowship hall were being drawn up architects noted that the foundation was as well constructed as any new foundation would be and advised that it be used. Although records are vague, it was noted that the foundation might also be the same as the one under the frame church that occupied the site before the brick church was constructed.

During the seven years the fellowship hall has been in existence, it has become the Civic Center of Cameron. More than 50 times a year it has been the setting for civic, school and organizational functions. In addition it is used numerous times yearly for church affairs.

The building of the fellowship hall climaxes 118 years of work. The Methodist congregation was first organized in Milam County in 1847, one year after Cameron was named the county seat. This was seven years after the first annual conference of the Methodist Church was held in Texas. Rev. Freeman noted that Cameron has been the site of the annual Texas Conference twice during the years.

WATERPROOF MATCH BOX

Quick way to make up a supply of waterproof matches for the field is to put matches in an empty .30-30 cartridge case, then push the open end of the shell into a plug of paraffin to seal it.

R'dale State Bank Man Files Plea Holds Slim Lead In Of Guilty, Draws Nightlighters Race 3 Years In Pen

Rockdale State Bank holds a slim lead in the Nightlighters bowling race with 34½ wins to 25½ losses. Following close behind is McLeod Insurance with a record of 33-27; Yoakum Housemoving with 32½-27½ and Dunn Drilling 31-29.

Dairy Queen and Butter Krust are tied with 28½ wins and 31½ losses. Brewitt Drug is running in 7th place with a record of 27-33 and Viv-Rae's has a 25-35 record.

In a recent bowling match Cynthia Edelman was high individual bowler with 439. Ida Michalka rolled a 479 and Marie Matthews 440. Mrs. Matthews had the high individual game with 189. Cynthia Edelman was second with 175 followed by Ida Michalka with 166.

High team series was rolled by Rockdale State Bank with 1860 and high single game of 679. Dunn Drilling was second with 1855 and 647. Yoakum Housemoving was 3rd with 1850 and 645.

High league individual average is held by Ida Michalka with 144. Gloria Neely is 2nd with 133 and Cynthia Edelman 3rd with 137.

Dairy Queen has the high team average with 627 followed by Rockdale State Bank with 616 and Butter Krust with 612.

Clarence (Bubba) Blaylock Jan. 6 in Milam District Court entered a plea of guilty to a charge of burglary, drawing a sentence of three years in the State Penitentiary, Huntsville.

Charge against Blaylock grew out of a burglary at the Fred Lazek liquor store Nov. 19, 1964. An indictment against Charles Hobbs of Cameron, implicating him in the Lazek burglary, was dismissed for insufficient evidence, according to County Atty. John B. Henderson Jr.

Henderson reported that he Court of Criminal Appeals has postponed the hearing on the Oscar Cook appeal because of an application for legislative continuance granted by the Court.

He noted that the case may not be heard by the Court of Criminal Appeals until 30 days after the present legislative session ends. It now appears likely, Henderson said, the hearing on Cook's appeal will not be held until October.

Buckholts To Face

Milano Teams Friday

Friday night the Buckholts girls' and boys' basketball teams will face the Milano Eagles at Buckholts. The girls will begin play at 7 p.m. followed by the boys game about 8 p.m.

The Badgerettes have faced some very tough opponents this season, and with a few changes in personnel, they will be ready for Milano.

The boys are undefeated on home court this season and will be trying to keep this record.

Conditioning Gets Horticulturist Underway For Yoe To Speak Here On Vegetables

About 43 Yoe High School athletes started track workouts this week in preparation for their first track event of the season.

Coach George Kirk said the first track meet would be on Feb. 27 when they compete in the Ennis meet.

Kirk said as soon as the Yoe basketball season is over he expects to have an additional 27 boys participate in this year's track events.

The preliminary practice this week included running and conditioning drills.

The Yoe track schedule is expected to be completed in the near future and will then be released to the public.

HOSPITAL NOTES

Patients at St. Edward Hospital are: Mrs. Dan Garcia, Mr. John Brashear, Mr. J. H. Holloway, Mrs. Liberty Jane Hill, Mr. William Arthur Belt, Mrs. Maude Ethel Mullinax, Mrs. Mattie Ashenbeck, Mr. Frank Zarosky, Mrs. Effie Price, Mrs. W. C. Keith, Mrs. H. B. Pressley, Mr. Robert E. Weise, Mrs. J. H. McKinney, Jimmy Scott Heintze, Mrs. Max Noranjo, Mr. W. M. Crain, Mr. Robert Ottmer, Mrs. Edward Pavlek, Mrs. J. L. Kirk, Mrs. Cruz Reyes, Mrs. Melvin Wall, Gloria DeBose, Beatrice Gay, Ennis Thompson, and Estelle Moore.

John Larsen, Extension Horticulturist - Vegetables, will be in Cameron Jan. 26 10 a.m. to noon, at the Farm Bureau Office to present a program on "Growing and Maintaining a Vegetable Garden."

Emphasis is on the small area or home vegetable gardening problems of the homemakers in Milam County, and all interested homemakers or small gardeners are invited to attend. Beginners or experienced growers are invited to come and ask specific questions concerning gardening problems.

The Foods Sub-committee of the Program Building total committee found some special problems concerning the family food needs when analysing the county situation, and this program on vegetable gardening at home was set up in hopes of fulfilling these needs.

The needs were as follows: some manner of supplementing grocery list, some means of adding tastier flavor to everyday meals, some way to increase the vitamin intake of the families, and some means of adding variety to the meal planning, according to Anna Marie Ramke, home demonstration agent.

Buick Special V-6 goes easy on gas.

Its low price goes hard on your resistance.

We put 6 big reasons to buy a Buick Special under the hood. And another small one on the price tag. The six are a set of the liveliest, thriftiest cylinders that ever zipped you merrily on your way. They're all arranged in neat, smooth V-fashion. They add up to 225 cubic inches and 155 horsepower, and make other arrangements of 6 cylinders seem primitive. That's not all. Special sports Buick comfort, Buick style and traditional Buick quality. The price tag? We saved the best for last.

\$2343.00

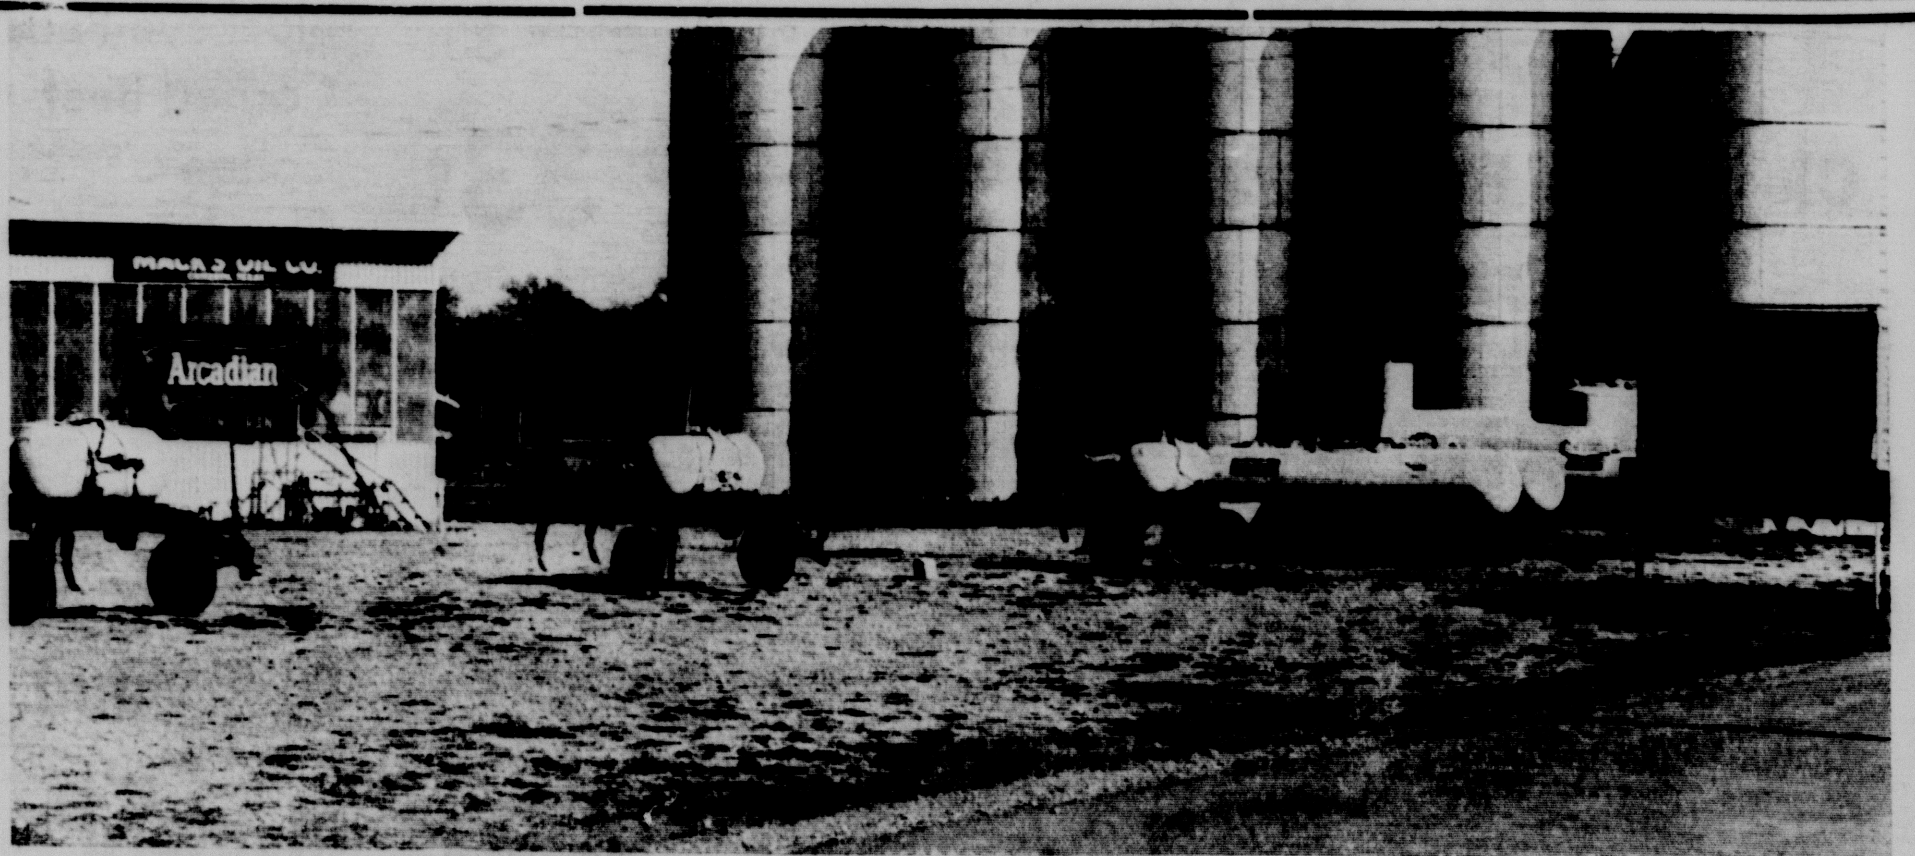

Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

Wouldn't you really rather go first class?

A Curious Reward . . .

Emerging from the changes wrought by agriculture technology is a picture of fantastic repercussion on the average farmer.

If he has survived thus far, he faces greater competition of political power going to his urban cousin. If he is still on the farm, he has tightened up his operation to survive, he has supplemented his income with off-farm employment or he has increased his investment to increase volume.

It does not help to tell him that the urban society affects as well his counterpart in the other nations of the Western World.

We are learning that the population explosion makes small by comparison the storage abundance made possible by farm technology advances. Were it possible, the admittedly expensive storage of grain, for example, would last but a few months if trade would somehow open with some of the newer nations.

What, we can ask, will happen if the population shift to urban areas is so complete while we sometime soon must meet agriculture quotas beyond our most optimistic notion? Will reverse migration be necessary?

A short term view says to continue the attrition of the farmer under the pressures of economic technology. A long term view turns to the expectation of greater need for greater foodstuffs in less than a decade. Stemming the population explosion, here or abroad, will almost certainly follow by decades a greater need for foodstuffs.

The cotton producer has a particular problem, that of synthetics. But research which has limited the cotton market could provide additional uses for the fiber. Until it does and as long as foreign cotton is on the increase, local production has problems finding markets.

While all non-metro America is searching to meet these problems, the efficiency of the farmer is being rewarded, in considerable part, with extinction.

THE FAMILY LAWYER

In the folklore of motordom, few characters rank as low as the back seat driver. His pesky, loudmouth advice (coming from either a front or back seat) takes all the joy out of life for the long-suffering man at the wheel.

To a considerable degree, the law shares in this disdain. Back-seat driving has been judicially described as "this abominable practice."

But the law isn't thinking about etiquette. It is thinking about safety. The law frowns on back seat driving because it so often rattles the driver. One court estimated that in nine cases out of ten, it does more harm than good.

Still, what about that 10th case? When safety says so, back seat driving may be not just permitted but even required. The passenger who is injured in an accident may find his right to collect damages jeopardized by his own failure to voice a protest.

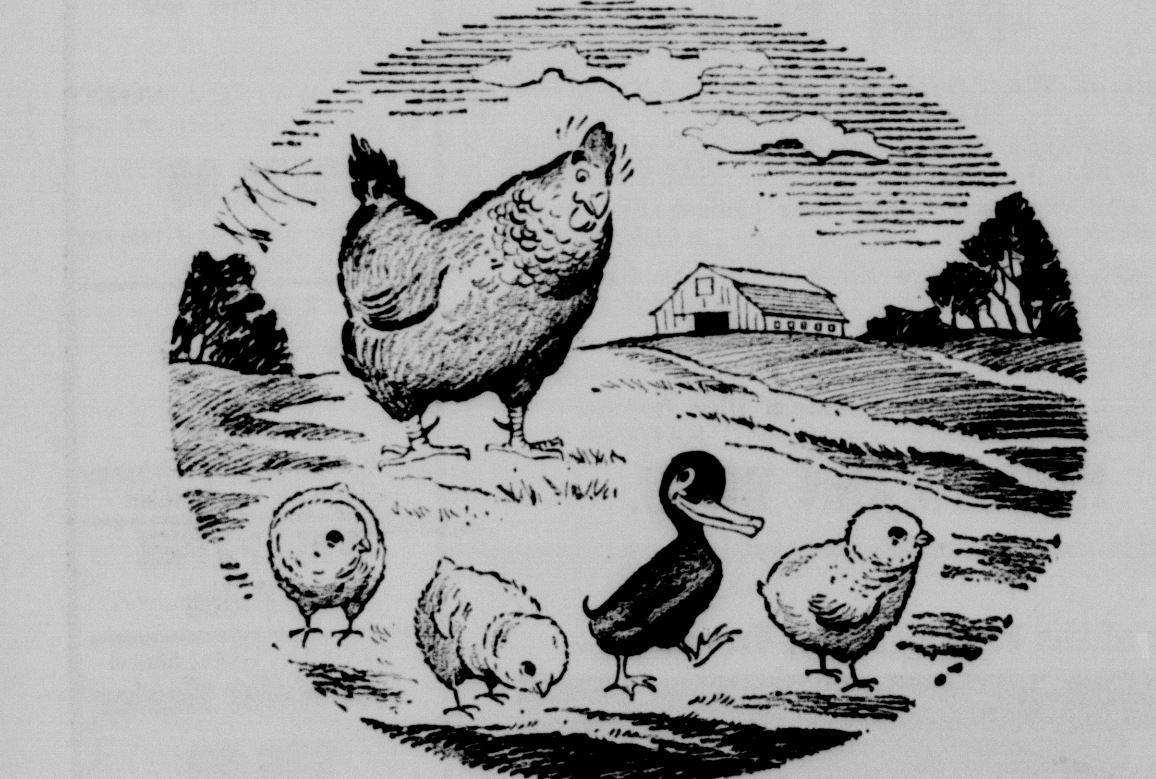

Thus, a court denied the claim of an injured passenger who had made no complaint about a speed of 30 miles an hour through a blinding rain. By his very silence, said the court, "he willingly joined the driver in testing the danger."

How can you tell when to speak up. The law will usually require such action if:

- 1) you are in a position to recognize the hazard;
- 2) you have reason to think that the driver will not be careful on his own initiative; and
- 3) there is time enough for your protest to do some good.

It is only natural that social amenities will have a certain amount of influence on a passenger's behavior. Understandably, a girl doesn't want to be known as a wet blanket; a boy is afraid to be called "chicken." But if you let such considerations seal your lips when the circumstances cry "DANGER," then your forbearance may well cost you your right to damages.

It may also cost you your life. A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

Is there a "stranger" under your care?

Many people are surprised to learn that they and millions of other Americans are paying a share of the electric bill of about 2 out of every 10 users.

These favored few are the people, the businesses and the industries whose electricity is furnished by plants, lines and other facilities built and operated by the federal government.

Most of the money required for federal electric power installations comes from the tax-payer's pockets. Also, these installations pay either no taxes or only a small payment in lieu of taxes.

America's investor-owned electric power companies are ready, willing and able to supply all of our nation's present and predicted needs for electric power... without needless additional spending of tax dollars.

TEXAS POWER & LIGHT COMPANY

Dateline Austin

Legislators Face Heavy Schedule

By Vern Sanford

AUSTIN -- The 59th Legislature, faced with the heaviest work load in state lawmaking history, eased into its second week with some top Senators and Representatives on the absent list. A good many legislators took off for Washington to attend the inauguration of President Johnson.

These events highlighted the Legislature's opening week:

Rep. Ben Barnes of DeLeon was elected Speaker of the House by acclamation. He is the youngest speaker named since reconstruction days.

Sen. Tom Creighton of Mineral Wells was named president pro tempore of the Senate, to preside when Lt. Gov. Preston Smith is not present. In choosing Creighton, the Senators went against tradition when they passed over Sen. A. R. Schwartz of Galveston, who was next on the seniority list. Schwartz has opposed closed door sessions.

A record \$3,500,000,000 budget bill, calling for an increase of \$97,300,000 in general revenue spending, was introduced in the Senate. Proposal calls for \$567,300,000 general revenue spending, compared to \$569,500,000 recommended by Gov. John Connally.

In the House, Barnes -- whose speakership campaign had to be conducted in a few days due to expected appointment of ex-Speaker Byron Tunnell to the Railroad Commission -- conferred with members day and night in an effort to speed committee appointments there.

Representatives drew priority numbers for bills.

BETTING BILL SHOWN -- The battle over whether Texans are going to bet on horse racing has begun again. This time Rep. Maurice Pipkin of Brownsville is introducing the race track betting bill. Last session Rep. V. E. (Red) Berry of San Antonio couldn't get it through the Legislature.

Pipkin's bill would allow both Thoroughbred and Quarter Horse racing on licensed tracks. Also, the city, county, and state could collect taxes from the track operators. Before a track could be licensed in a county, voters in that county would have to call and approve a referendum.

The bill is backed by Texas Racing Association, which has raised more than \$150,000 from

some of the most prominent men in Texas ranching and business. Opposing the association will be a group of businessmen being organized by the Texas Council of Churches and the Texas Baptist General Convention.

Pipkin said the state would get \$20,000,000 a year from a sliding tax of from four to six per cent on all bets and that the state would get millions more from increased tourism. One of the first men to speak in opposition, Rep. J. C. Whitfield of Houston, said, "The plain facts are that legalized racing and gambling not only damage the moral fabric of our people, but that the revenues they bring in are more than offset by losses in other, more legitimate fields of commerce."

LIQUOR BILL INTRODUCED -- A Texas Restaurant Association bill which would make legal the selling of two-ounce bottles of liquor in licensed restaurants has been introduced.

Sen. Jim Bates of Edinburg is handling it in the Senate and Rep. Willis J. Whatley is in charge of

FAT OVERWEIGHT

Available to you without a doctor's prescription, the ADRINEX plan. You must lose ugly fat or your money back. One of the basic problems of losing weight is your inability to stick to a planned diet. The ADRINEX plan contains a tiny tablet and is easily swallowed. When you take ADRINEX, you simply don't have the urge for extra portions because ADRINEX depresses your appetite and decreases your desire for food thus making it easier and more comfortable for you to diet. Your weight must come down because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. Of course ADRINEX can't do all the work for you alone. But if you really want to cut down on your eating, and lose weight ADRINEX can be a powerful helper. The ADRINEX plan costs \$3.00 and is sold on this guarantee: If not satisfied for any reason just return the package to your druggist and get your full money back. No questions asked. The ADRINEX plan is sold with this guarantee by: SCHILLER'S PHARMACY, Cameron. Mail orders filled.

OLD PHILOSOPHER

Philosopher Says He Can't Estimate His Costs Any Better Than Roads Bureau

Dear editor:

According to an article I read in a newspaper last night while my television set was having cable trouble, the Bureau of Public Roads has discovered it has underestimated the cost of the vast interstate highway system which is supposed to span the United States by 1972 by about \$6,000,000,000, or 6 billion, to spell it out in case The Cameron Herald doesn't have that many zeroes in its plant.

Originally, they'd figured the 41,000 miles of super-highways would cost 41 billion, or a billion dollars a thousand miles, but due to rising costs, such as higher costs of land as everybody knows farm land is worth more in a highway than in cultivation, the cost has risen to about 47 billion dollars.

I know how these things are. You start out a year in January figuring it'll cost so much to get by on, but by the time September rolls around you find so many unexpected things have piled up your estimate was so, better than the United States Bureau of Public Roads.

But what interested me in the highway article was the statement that the vast system was "designed to handle traffic 20 years

Chapman of Sulphur Springs judge of the Eighth District Court of Hopkins, Rains, Delta and Hunt Counties, to replace the late Judge L. L. Bowman Jr.

Maj. Gen. Thomas S. Bishop and Brig. Gen. James D. Scott, both of Austin, and Col. John Anderson of Denison to the Red River Authority Board and named William E. Rechmuth of Wichita Falls a new member of the Board.

Mayor Ted C. Connell of Kilbuck, a former national commander of the Veterans of Foreign Wars, was named to a four-year term on the Veterans Land Board.

R. C. Morgan of El Paso and Mrs. Bessie Heard of Houston were reappointed to the Credit Union Advisory Commission.

Governor named Wayland Rivers Jr. of Austin and Miss Lois Gray of Fort Worth to the Board of Trustees, Teacher Retirement System; Dave Smith of Austin to Board of Trustees, Employees Retirement System; and P. C. Naylor Jr. of San Antonio and Harold Chapman of Lubbock to Texas Real Estate Commission.

Gen. Aubrey L. Moore of Hillsboro was appointed director-at-large of the Tri-County Municipal Water District, composed of cities in Hill, Bosque and Johnson Counties, succeeding Jack Altaras of Cleburne.

YOU'RE IN THE ARMY NOW

"I FIND I CAN GET THEM UP BETTER WITH THIS HORN SIR!"

His father's '65 Fordrides quieter than his father's Rolls-Royce

We know it's hard to believe a Ford could ride quieter than the famed Rolls-Royce. But it's a fact. Leading acoustical consultants conducted tests in which three V-8 powered Fords (Galaxie 500 Sedan, new Galaxie 500/XL and LTD Hardtop) with automatic transmissions rode quieter than a new Rolls-Royce. The tests were certified by the U.S. Auto Club. Of course, the best test of all is to get behind the wheel yourself...and listen to a '65 Ford in action.

That's what Chuck's father did. Ford's quietness really impressed him. But it wasn't the quietness alone that sold him. He shopped around and found that Ford offers features and models and quality that simply aren't matched by other cars in its class. For example:

- 100% new body—strongest Ford body ever.
- New frame "tunes out" vibration.
- Decorator-appointed interiors in LTD's, thick nylon carpeting.
- More luggage space than in most competing cars—trunk holds four 2-suiters standing upright with room left over.

Thrifty, quiet new Big Six—the biggest Six offered by any car in Ford's class...289-cu. in. V-8 in XL's and LTD's.

All automatic transmissions have three speeds, not two as in some competing cars—smoother shifting, more economy.

Silent-Flo ventilation (in 4-door hardtops) provides fresh air in car with all windows shut.

Handy reversible key works either side up.

There's more...much more in a Ford than you'd expect for the money. Visit your Ford Dealer and take a test drive soon.

Test Drive Total Performance '65 Best year yet to go Ford!

Baca Honored As Rogers High Band 'Father'

ROGERS - Rogers High School and Junior High held a special assembly this week to honor I. J. Baca of Rogers and Route 2, Temple, for his long service to the school bands and the school in general. He was given a Band jacket with proper remarks by Charles Conner, band director, and B. F. Harbour, superintendent.

Baca came to Rogers some 40 years ago. He was always interested in instrumental music and in the early 1920s his "Polka Band" played regularly on KTEM in Temple.

Mr. Baca started a school band at the New Colony school in 1932. When New Colony was consolidated with Rogers school in 1934, he organized the first band in Rogers, and is therefore called "The Father" of the Rogers High School band. He directed the band for several years, raising money for uniforms and instruments. Rogers has had a band continuously since that time.

Along with farming, Mr. Baca has been a band instrument dealer and repairman since retiring from directing the band.

Mr. Baca was made Honorary Director of the Rogers High School band by the Band Parents Club. In this presentation and in the presentation of the jacket, it was pointed out that Mr. Baca has rendered great service through these many years for handling the purchase of band instruments, and in always being present when needed to repair instruments.

Mr. and Mrs. Alvin Dodd and sons of Walkers Creek were visitors of his mother, Mrs. V. D. Dodd on Friday.

Mr. and Mrs. Alfred Kohring have been visiting her brother, Robert Otmer, a patient in St. Edwards Hospital in Cameron.

Cpl. Leslie Ernst has returned to duty at Camp Pendleton, Calif., where he will be stationed after spending his leave with his parents, Mr. and Mrs. Leon Ernst and Leon Jr.

Mrs. Mary Chollett celebrated her 95th birthday Thursday, Jan. 14, at Halberts Nursing Home in Rosebud where she is a patient. She is the mother of Arthur Chollett of Clarkson and Elo Chollett of Burlington.

The exercise, which took place on the beaches of Porto Scudo and Cape Teulada, Sardinia, was conducted to give both Marine and fleet units training in conducting full scale amphibious operations.

First newsreel showed arrival of delegates to a French national photographers convention in 1955.

One of the earliest books discussing the probability of life on other worlds was written about 300 years ago.

Mr. and Mrs. George Dodd and family visited relatives in Fort Worth during the weekend.

Mr. and Mrs. Amos Doskocil visited Sunday with Mr. and Mrs. Raymond Doskocil and family in Holland.

William Herschel, famous 18th century astronomer, was a professional musician.

Sam Law Named Junior Historian

Sam Law was one of three Bellaire High School sr. honor students selected by the Bellaire Rotary Club to be Junior Rotarians.

Young Law is the grandson of Mr. and Mrs. Roy Law and Mr. and Mrs. H. D. Maxwell of Rockdale. He hopes to attend Rice University and is now enrolled in accelerated or advanced courses at Bellaire. His favorite course is mathematics and he hopes to teach at the college level or go into industry.

Last summer, Law was accepted for Rice's summer mathematics course for high school students. He is a member of the National Honor Society and president of his chapter, a member of the Key Club, secretary-treasurer of the Science Club, and president of his home room.

Two years ago he won the God and Country award in Scouting. He is a semi-finalist in both the National Merit Scholarship and the Optimist Club Scholarship competition.

The Bellaire senior has been a member of the Bayou Rifles Junior Rifle Club for two years and has advanced to "expert rating." At Bellaire Presbyterian Church he is president of the senior high fellowship.

MAYSFIELD NEWS

By Mrs. J. P. Wise
Mrs. Jim Bandy and Mrs. A. S. Hollingsworth of Las Vegas, Nev., visited Mr. and Mrs. Elbert Hollingsworth Friday.

Mike Massengale recently of Paris, France, visited the Leroy Massengales and Mrs. H. W. Massengale last week. He will enter college at Stephenville next semester.

Mr. and Mrs. J. P. Wise returned home Monday from a four week's visit with their daughter, Mrs. R. K. Reider and family in Coronado, Calif. They visited relatives in Barstow and El Paso enroute. Mrs. Lorene Trott of Barstow returned home with them and went to Houston for a visit with her son.

Mr. Donald Thweatt of Groveson visited his parents, Mr. and Mrs. Gilford Thweatt Tuesday.

Mr. Donald Thweatt of Groveson visited his parents, Mr. and Mrs. Gilford Thweatt Tuesday.

Mrs. Hazel Peel of Temple visited her sisters, Mrs. E. S. Hollingsworth and Mrs. Ruby Massengale Thursday.

Mrs. Mary Emma Massengale has returned to her home in Freeport after an extended visit with relatives here.

Mr. and Mrs. Garland Williams of Rockdale visited her parents, Sunday.

Mrs. A. L. Massengale attended the funeral of her brother-in-law, Frank Peel, in Bryan Friday.

William Herschel, famous 18th century astronomer, was a professional musician.

SHARP

By Mrs. W. Schwarz

These communities were deeply saddened by the sudden death of our friend and neighbor, Harry Harris, 52, who passed away in his home Wednesday afternoon, and was buried Saturday in Rockdale. He is survived by his wife, Mildred; two sons, Kenny of Bridgeport and Gordon Harry of Berkeley, Calif.; one daughter, Leanna of Austin; three sisters, Mrs. Ruth Robertson of Rockdale, Mrs. Lois Moses of Waco and Mrs. Dot Taylor of Calvert; three brothers, Wallis and Ray of Rockdale and Clyde of Palestine.

Mrs. Jesse Leonard of Yarrington spent Monday and Tuesday with her sisters, Mrs. Frank Gamble and Mrs. Mollie Campbell.

Mr. and Mrs. Paul Green and family, Mrs. Albert Rinn and Mr. and Mrs. Alvin Rinn of Austin spent Saturday with relatives.

Mr. and Mrs. Emory Brockebush and mother, Mrs. Mattie Brockebush, Mrs. Mac Rinn and Miss Agness, Mr. and Mrs. Willie Noack, Mr. and Mrs. Willie Schwarz and mother, Mrs. Annie Schwarz, attended the Golden Wedding anniversary Sunday afternoon honoring Mr. and Mrs. Otto Luetge near Rockdale.

Mr. and Mrs. H. Parker and family of Waco spent the weekend with Mr. and Mrs. Frank Seelke.

Mr. and Mrs. Roland Lawson, Sharon and Donna of Rockdale, Mr. and Mrs. Bill Brown and boys of Waco spent Sunday with Mr. and Mrs. Charlie Duncan on the occasion of Mr. Duncan's birthday. Ronny and Layne Brown have been with their grandparents since Thursday afternoon.

Mr. and Mrs. Chas. Duncan visited with Mrs. Bertha Swany Thursday afternoon. Bertha is still in a Rosebud hospital following a car accident.

Mrs. Theda Albrecht of Rockdale, Lewis Modesette and mother, Mrs. Woody Modesette spent Sunday afternoon with relatives in Austin.

Mr. and Mrs. Charles Schwarz and children of San Antonio spent the weekend with home folks.

Mr. and Mrs. Clyde Lawson of Temple spent Sunday with her sister and husband, Mr. and Mrs. Ray Green.

SPEEDS NIGHTTIME DOCKING
Reflecto tape wrapped around poles on your boat dock will make docking your craft much easier after dark.

Jones Prairie News

By Mrs. R. K. Fontaine

Mr. and Mrs. E. S. Hollingsworth and Mrs. Frank Black were weekend guests of her parents, Mr. and Mrs. Clarence Widner of New Braunfels. Her sister, Miss Susie Widner, returned with them for a week's visit.

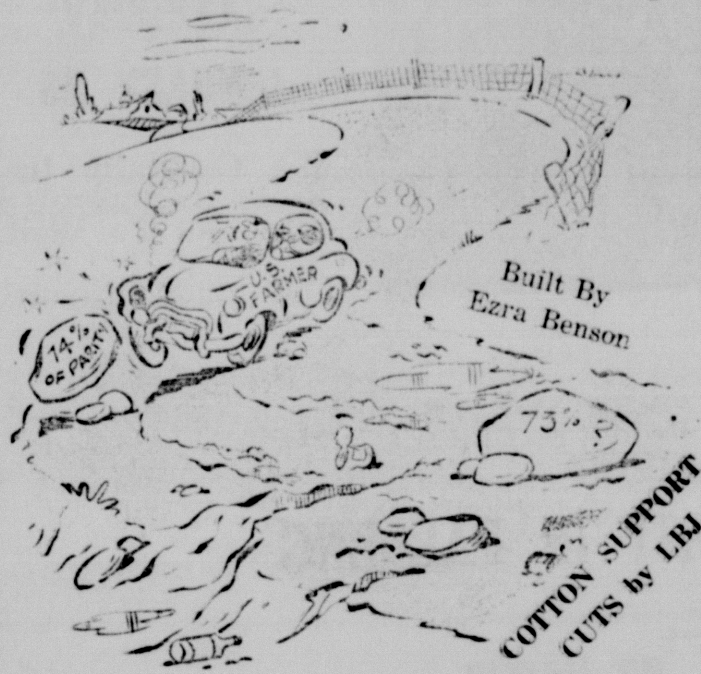

Little Chris Florida of Bremond was a weekend guest of his grandparents, Mr. and Mrs. Verne Pentecost.

Rev. and Mrs. Don Callaway of Fort Worth filled their regular appointment at Little River Baptist Church Sunday. They were dinner guests of Mr. and Mrs. Luther Todd. Other guests included Mrs. Amanda Crook, Mr. and Mrs. Hope Jamison and Mr. and Mrs. Pete Harwell.

Mrs. Verne Pentecost accompanied her daughter, Mrs. John Florida and son Chris to Houston Monday for treatment for Chris' injured eye. He was shot with a B B gun during the holidays and is greatly improved.

ADDS LIFE 'O SEINE
Before you put your minnow seine into use, soak it in a bucket of linseed oil. This will waterproof the net and make it last longer.

If You Are Losing Your Hair And Don't Care, That Is Your Business. If You Are Losing Your Hair And Want To Keep It, That Is Our Business.

On sale now through April 30th! Big travel bargain for cities along Santa Fe

It's Chico Bargain Fare time again on the Santa Fe—through April 30, 1965.

For example, a regular round-trip ticket costing \$100 will be sold at the off-season bargain fare of \$80. Round trips costing \$75 now will be only \$60, and similar reductions will apply for round-trip tickets from all stations except for local trips within the State of California.

No matter where you travel on Santa Fe trains, round-trip bargain fares will save you approximately 20%. Tickets on sale every day with a return limit of 30 days. Yes, bargain fares apply for both round-trip coach and first-class tickets.

Now you can leave the car at home and save money traveling by Santa Fe.

See the Santa Fe Agent in your home town for complete information

See us. We deliver: a lot of power, not promises. Even in our lowest-priced Chrysler models, 383 cubic inches of V-8 engine is standard. So is our big size — the factory doesn't build jr. editions. And nearly half our '65 models are priced only a few dollars a month more than some of the most popular small cars, comparably equipped. That figure includes power steering, power brakes, automatic transmission, radio and heater. When you get ready to plunk down the cash, remember: If you're going to pay the price of a Chrysler, get one. See us. We deliver.

LEGAL NOTICE —

NOTICE TO BID FOR DEPOSITORY

STATE OF TEXAS
COUNTY OF MILAM

To All Banking Corporations, Associations or Individual Bankers in Milam County, Texas:

You will take notice that the Commissioners' Court of Milam County, Texas, will, on the 8th day of February, 1965, at 10:00 o'clock A.M. at the Commissioners' Courtroom at the Courthouse in Cameron, Texas, select and enter into a contract with, a banking corporation, association or individual banker in Milam County,

Texas, for the depositing of the public funds of such county in such bank or banks in accordance with the provisions of Articles 2544 et seq. Vernon's Annotated Texas Statutes.

Any banking corporation, association or individual banker in such county desiring to be designated as county depository shall make and deliver to the County Judge an application applying for such funds and said application shall state the amount of paid up capital stock and permanent surplus of said bank and there shall be furnished with said application a statement showing the financial condition of said bank at the date of said application which shall be delivered to the County Judge on or before the first day of the term of the Commissioners' Court at which the selection of the de-

positories is to be made. Said application shall also be accompanied by a certified check for not less than one-half of one percent of the county's revenue for the preceding year as a guarantee of the good faith on the part of said bank, and that if said bank is accepted, as county depository, that it will enter into the bond hereinafter provided.
